## Company Overview

Northwind Capital was founded in 2009 by three former institutional investors who raised $120 million from a handful of family offices. Today it advises and manages $38.5 billion on behalf of pension funds, endowments, family offices and high-net-worth individuals across Asia-Pacific, the Middle East and Europe.

The firm is owned by its partners and employees, which keeps incentives aligned with clients. Its investment process combines fundamental research, strict risk limits and a bias toward businesses with durable cash flows. Average client tenure exceeds nine years, and about 70% of new assets come from existing clients.

> ***Mission***

## Revenue by fiscal year ($M)

## Commentary

Fee revenue has compounded at about 15% a year, helped by net inflows and market gains. Operating margin has widened as the platform scaled without a matching rise in headcount.

## Leadership Team

**Catherine Lim**
Chief Executive Officer and Managing Partner

Co-founder; previously led Asian equities at a global asset manager.

**Rajiv Menon**
Chief Investment Officer

Oversees all strategies and chairs the investment committee.

**Hannah Weiss**
